Présentation de l'éditeur

New York illustrator and graphic designer David Olenick offers a humorous look at the world around us.

He shares his whimsical view of human behavior in his ingenious, fractured renderings of puns and character flaws using cute critters, inanimate objects, and acts of nature. Each month features a witty design such as the wine glass gently encouraging you to drunk text; the Loch Ness monster reassuring herself that "the important thing is that I believe in myself"; and the pint of ice cream holding a spoon and whispering "nobody has to know."
