El Croquis 176 - Souto De Moura From El Croquis

The current publication collects the most significant works by his office from 2009 to the present -presented in full with several construction plans, and a profusion of photographs and sketches-. The monograph is prefaced by an interview with Eduardo Souto de Moura by the architect José Morales, and a critical essay on his work by the professor José Antonio Cortés. Among the buildings and projects featured the most remarkable ones are the Uitzicht Crematorium, the "Physic Garden 3" Laboratory Building, the "Espaço Miguel Torga" Cultural Centre, the Multipurpose Pavilion, Viana do Castelo, the Conversion of Bernardas Convent.
