"Welcome to Exotica... a lush, sensual retreat where women can experience their most taboo fantasies. Step inside--and leave your inhibitions at the door..." When her old friend Caroline invites her to Exotica for a week of pampering and pleasure, Lilli DeForrest has no idea what to expect. But when Rajan steps into her suite, the attraction is intense, immediate, overwhelming. He is her ideal lover--by turns tender, commanding, erotic. But, as Lilli is about to discover, Rajan's masterful touch is just the beginning... As manager of the luxurious retreat, Caroline Winter creates thrilling escapist fantasies for other women. Now she's about to live out a fantasy of her own: dark, exotic Kian will challenge her to accept the exquisite pleasures he offers. But what Caroline doesn't expect is the power of Kian's sensuality...surrendering to him means abandoning herself completely--and giving up all control. For Lilli, it's the chance to test the limits of her sexuality. For Caroline, it's trusting Kian with her most hidden desires even as she's uncovering his own guarded secret. And for both women, it's a journey into the hidden depths of fantasy--as they discover just how far they'll go in search of seduction, surrender, and pleasure beyond imagining...
