Your Privacy & Security

John Mingos

Your Privacy & Security John Mingos

This book offers practical advice on how to make your life, home, and travel more secure. Inside you will learn valuable information on how your privacy can be and often times is compromised and ways to prevent it. Solutions are offered on how to protect you and your family daily as well as identify the dangers around you, many of which you may not even be aware that exist. Be ready to be exposed to the truth that your personal protection is more than just owning a piece of equipment. There are plenty of treadmills sitting idle, but those who never step on them don't wonder at the end of the day why they are not in shape. With a highlighter and pen in hand I invite you to read and re-read this book!

About the Author

Among his many accomplishments Mingos was appointed by Governor James B. Hunt, Jr. of North Carolina to serve on the Governor's Crime Commission which helped distribute federal funds to law enforcement agencies throughout the state. Mingos also was appointed to serve as Co-Chair for The Disaster Response and Recovery Commission, a legislative study commission that examined the state's preparedness after the Hurricane Floyd disaster. Mingos has worked closely with law enforcement throughout his twenty-five plus years of service on the Pitt-Greenville Crime Stoppers Board of Directors.
